**NOTICE**

Underwritten Firm has been established  
longer for more than half a century  
and has never had a branch establish-  
ment. All Orders for Goods have been  
under our own supervision and the best  
materials used.

We have always enjoyed the patronage and  
confidence of the Gentry and Merchants  
of Canton and Port near and far, but now we  
find that another firm has lately been  
having a Share of our Customers and  
we may be misled and induced to think  
nothing of it.

But give notice that we have no  
connection with them, and we wish to  
thank our Customers and the Public to  
be particular attention to our Address, given  
and our Shop, which is stamped on all  
the goods, and without which none are genuine.
